Youth Services BRINGING KIDS HOPE believes every child should grow up happy, healthy and hopeful. Founded in 1972, the agency prides itself on promoting the social and emotional well-being of today's youth. Individualized programs at our state-of-the-art facility offer individual and group therapy through music, activities, and the arts, helping children to develop the strength and resilience needed to overcome challenges they will face throughout their lives. Your generosity will help support thousands of children and families who rely on Youth Services.
