

what we do

TRUST – SAFETY – CONNECTION – COMPASSION

Youth Development Programs

We offer free after school, summer, and academic support programs for local, under-resourced communities.

Crisis Response Services

We partner with local schools to provide crisis support, including risk assessment for students experiencing suicidal ideation or support following community loss.

Individual & Group Counseling

Therapists provide individual and group counseling to children and youth. We accept all major health insurances, and we offer a generous sliding scale program.

Pride Youth Program

LGBTQ+ youth grades K-12 participate in social, support, and leadership opportunities, including weekly peer groups and events for youth and families.

Outreach & Education

Clinical staff provide education and training to youth, parents, and professionals on healthy relationships, sexuality education, mental health, and identities & intersectionality.

Youth Services

We have just one goal:
to foster the social and emotional well-
being of children and youth.
